EB2 PP7-7 Pin Wiring Diagram

Version 2.0 27/07/2026

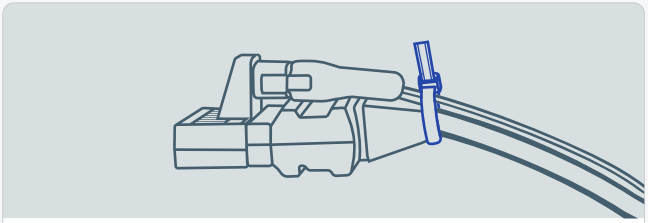

elecConnect™
BRAKE CONTROLLER ADAPTORS

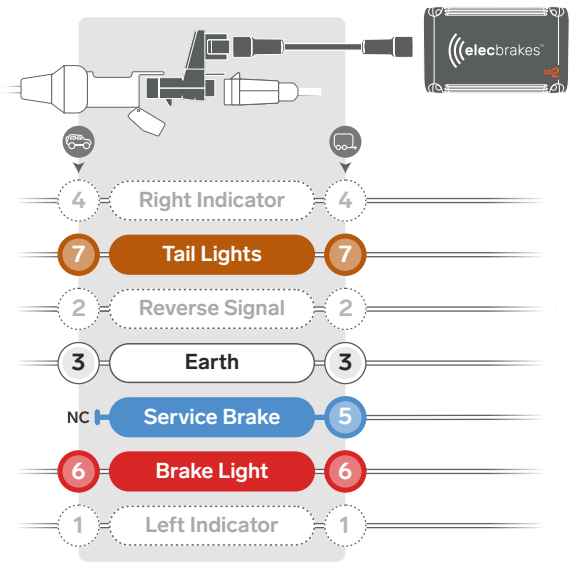

TRAILER COMPATIBILITY

The PP12-12 allows you to connect your Elecbrakes brake controller between your vehicle fitted with a Flat 12 pin to 12 pin trailer configurations without the need for custom wiring.

SUGGESTION:

Cable tie your ECL and trailer cable together to significantly increase the pull out resistance.
